Relevant work experience and how it relates to Toastmasters and your role as a District leader:

Being a Toasmaster, it gives me more confidence personally & professionally. I was able to develop and adpat in myself the Core Values of Toasmaster which is Intergirty, Respect, Service & Excellence. The industry i was working on look at me with a lot of high regards becos of this values that I adapt in my everyday transaction.

What experience do you have in strategic planning?

I am the one responsible to develop the strategic approach and plans of the Sales & Operation of the company.

What experience do you have in the area of finance?

In Finance I need to make sure that the budget and the spending I need to set in terms of Sales & Marketing & Operation of the company is within the limit. If it happens to exceed I need to justify that it will benefit the company financially.

What experience do you have in developing procedures?

Procedures sense of view, I am more exposed to it as I deal with Government bodies such as Municipality, Chamber of Commerce, Customs and the like. This procedure also I am applying in my company so as to be able to be in same standard with them and will make my work smooth & in order.

What lessons did you learn from previous leadership positions?

One quality that I had learned and gained from my previous leadership role is finishing that task ahead of time. This give me more ample time to also concentrate to finish the other task. It turn to give me also time to think of other activities that will add benefits to the company. And this makes me an efficient leader.

Why do you want to serve as a District leader?

I dedicate myself to be of support & give my unconditional service to the community. I also make a promise to myself that whatever I had learned beyond my life experiences is to make sure that I can partake this to other people and be a good influence to them to make their life worthwhile.

In your opinion, what are the District mission's major objectives and how would you work to achieve them?

Districts mission's major objective is to build new clubs and support all clubs in achieving excellence.

To achieve this I will focus on the critical success factors that will be specified by the district educational goals of PQD and membership goals of CGD. I will also ensure that each club effectively fulfills its responsibilities to its members. I will make sure to provide effective training and leadership development programs to the clubs with the guidance & support of the District Officers.
