Relevant work experience and how it relates to Toastmasters and your role as a District leader:

Communicating effectively with the team is an important skill for a leader. Listening skills and leadership skills and ready to accept the feedback.
The most significant things I learned in toastmasters were listening skills and leadership skills, as well as acceptance of feedback and delegation.

What experience do you have in strategic planning?

Experience on Demand is committed to making the vision of Toastmasters a reality through integrated strategic execution

What experience do you have in the area of finance?

I study financial transactions in my role as a professional in information technology. As a result of implementing my company's system, I gained knowledge of the entire financial management.

What experience do you have in developing procedures?

Working in IT, developing procedures / process for implementations are very common

What lessons did you learn from previous leadership positions?

**Team leading
strong communication skills
I'm Competing Against No One But Myself**

Why do you want to serve as a District leader?

Having only served at the area level, with the Division Director position, I hope to improve my ability to develop more leaders in my division

In your opinion, what are the District mission's major objectives and how would you work to achieve them?

as simple as toastmasters tagline. Integrity / respect / service and excellence. Would like to work as a team to take the district 105 to the newer heights.

Additional information about yourself:

**Watching and Playing Cricket in one of my favorite hobbies.
Playing Carrom / badminton / chess are also my favorite sports.
I have been living in Muscat for 12 years.**
