ALIGNMENT CONSIDERATIONS:-

- 1 This alignment proposal is subject to the approval of the district council at its annual meeting during May 2023
- 2 The approved alignment will be effective throughout the year (July-2023 to June-2024).
- 3 The Alignment Plan shall serve the clubs in the most effective way possible.
- 4 The Alignment Plan shall meet Toastmasters International Policy Requirements. Refer to Policy and Protocol, Protocol 7.0: District Structure, 1. Club Assignments.
- 5 A Division must have a minimum of THREE Areas
- 6 Each AREA shall have a minimum of FOUR clubs and no more than SIX clubs.
- 7 An Area may consist of THREE clubs only when a concentrated effort to charter a fourth club is in process.
- 8 Under no circumstances may an AREA have more than SIX clubs at the beginning of the program year, July 1.

Alignment Considerations

- ▶ At least three Areas per Division
- ▶ No fewer than four clubs and no more than six per Area
- ▶ Geographic proximity to other clubs
- ▶ Ability to participate in the Distinguished programs
- ▶ Area Director to effectively provide service, without requiring the clubs to change how meetings are conducted to accommodate an Area Director visit
- ▶ Potential loss of clubs in those Areas and Divisions
- ▶ Club size and strength
- ▶ Prospective clubs and expected growth
- ▶ Strategy focused on the benefits for all
- ▶ Low and ineligible clubs must be included
- ▶ Advanced clubs may not be segregated into Areas
- ▶ Areas cannot be segregated by club type

Districts assign clubs to Areas based upon:

- Geographic proximity to other clubs
- The ability of an Area Director to effectively provide service
- Club size and strength (e.g., paid, active, disbanding)
- Prospective clubs and expected growth
- The likelihood of eligibility for Distinguished programs (e.g., club base of the Area or Division)

- 10 Advanced clubs shall not be segregated into Areas. (Don't group all advanced clubs together in a single Area)
- 11 Areas may be segregated by language. (eg: An Area can be formed by grouping all Arabic speaking clubs in a geographical location).
- 12 Once the alignment is approved during Council, any new clubs chartered thereafter will remain in those respective Areas (Keeping maximum number of clubs in an Area limited to 6)

TIMELINE (For Guidance):-

October 2022 - Initial awareness session with District team and Division Directors

November 2022 - Initial awareness session with Area and Club leaders to start the process

Jan - Feb 2023 - Forward Preliminary Assessment to Division and Area leaders to brainstorm
